# AUTUMN SEWING CELEBRATION

## Sew Into Overlocking - Kate Marra

Kate's presentation will give an in depth look at a variety of overlocking stitches, how to achieve them and where to use them. There will be lots of samples to inspire you to extend your overlocking repertoire.

Kate is a passionate sewist who enjoys creating and teaching. After an extensive career in the sewing industry Kate founded **Sew into Overlocking** with the mission to change people's perceptions about overlockers and coverstitch machines. Kate wanted to take these machines from being under-utilised, to being a valued part of the creative process. She loves being creative, working

with all skill levels, making the classes fun and educational.
