Buying bra becomes a sore point when you have tried to find bras that fit, let alone feel comfortable, provide support and look pretty. Whether you need is to find a bra that fits your shape or one that accommodates your breast forms, Linda has the experience to guide you through making a bra that fits your shape and needs.

Linda Jobson has been a sewist all her life. She has operated Linda's Lingerie for 25 years and can make any type of bra for any type of woman!

Since 2016 Linda's Lingerie has been the Queensland outlet for **Perfect Again Breast Forms**. These are Australian made breast forms and are a totally different option to heavy traditional imported breast prostheses. Linda can make a beautiful mastectomy bra for these Australian breast forms to snugly fit into.
